WHERE WE ARE

By car

MalpensaFiere is just 1 km from the Busto Arsizio exit off the A8 Milano-Varese motorway.

The motorway network also provides convenient links with the following motorways: the A9 Milano-Como-Chiasso, the A4 Torino-Venezia and with the A26 Genova-Alessandria-Gravellona Toce.

Getting to MalpensaFiere: follow the A8 Milano-Varese motorway and take the Busto Arsizio exit.

Follow the SS336 and take the Busto Arsizio-Cassano Magnago exit, then follow the signs for MalpensaFiere.

Journey time from the motorway exit: approximately 3 minutes.

By Plane ---Thanks to Malpensa International Airport, which is only a ten-minute car ride away, MalpensaFiere is probably the only European trade fair that can be visited in one day by flying with any low-cost airline in Europe.

The Trade Fair Centre can be easily reached from one of two airports in the Milan area. **Milan Malpensa Airport is approximately 16 km from MalpensaFiere.**
